What if I am a higher rate taxpayer?

IEF-International can only directly claim back at the basic rate but, please complete and return the declaration

anyway. However, as higher rate taxpayer, if you declare your donations on your tax returns, you can claim a rebate based on the difference between the higher rate and the basic rate when you fill in your self assessment form.

What if I am a lower rate taxpayer?

If you pay a lower rate (10% or 20%) IEF-International can still claim back 25p for each £1 you donate, provided

you pay enough tax to cover the claim in the tax year you make the gift(s).

What does Gift Aid declaration commit me to?

Absolutely nothing! It just ensures that if you choose to donate to IEF-International, we can claim an extra 25%

back from HM Revenue & Customs.

How long does the declaration last for?

To simplify matters for both you and IEF-International, the declaration wording normally covers present, future and past donations.

Who will have access to this information about me?

Only IEF-International and the HM Revenue & Customs. We will not share it with anyone else.

What should I do if my tax status changes or I want to cancel my declaration?

Please notify us and we will update our records.
